A. BRIEF DESCRIPTION OF EXPECTED SITE EXPERIENCE. Include here what you will DO during your time at the site.

B. DESCRIPTION OF EXPERTISE YOU MUST GAIN IN ORDER TO CARRY OUT EXPERIENCE DESCRIBED ABOVE. Expertise can be thought of as the ability to do something at some level of proficiency and is usually composed of some combination of knowledge, understanding, skill, attitude, and values.

C. STATE A LEARNING OBJECTIVE(S) FOR EACH AREA OF EXPERTISE IDENTIFIED ABOVE. A learning objective is stated in terms of what you will learn, rather than what you will do. On the following pages, identify the resources (material and human) and the strategies (techniques and tools) you will employ in accomplishing each objective. Fill out the top half of each form no later than the second meeting of the practicum seminar, and the bottom half upon completion of your placement. Please note that this is not a graded assignment; rather, it is intended to guide you through your practicum by providing clear and demonstrable goals.
