

## FACULTY RESEARCH INTERESTS

June 2004

The following are statements by the school faculty of their research interests. It is intended to help prospective students understand the school's areas of interest and strengths.

### Faculty

Cortez, Edwin M.: Automation of library processes; systems analysis; information management; information storage and retrieval.

Downey, Greg: Human geography; history of technology; GIS; areas related to how technology affects our sense of space and place, as well as dealing with such issues as the digital divide.

Eschenfelder, Kristin R.: Electronic government and business; social informatics; organizational change and information technology; organizational communications; user based information system design and evaluation; telecommunications and information policy; research methods.

Kim, Kyung-Sun: Organization of information, including cataloging; information seeking behavior on the World Wide Web.

Klais, Madge: School librarianship; libraries as teaching institutions; the politics of librarianship and education; medieval libraries; history of books and print culture.

Lundin, Anne: Children's services; reader response; history of children's literature; women's library history.

Robbins, Louise S.: History of libraries and librarianship; intellectual freedom; academic libraries; education for library and information science; information policy.

Trace, Ciaran: Social nature of organizational records and record-keeping; personal information management; applicability of qualitative research (theory, method and practice) to archival issues; "non-traditional" archival user groups.

Whitmire, Ethelene: Information seeking behavior; academic libraries; and reference services.

Completed Specialist Certificates -- June 1967 - December 2004

- Alvarez, Jacqueline. "The Future of On-line Retrieval Information Education in Library and Information Studies Programs." (5/00 - Major Professor: Cortez)
- Anslow, Elizabeth. "Retirement Planning: A Resource Book for Librarians Serving an Aging Population." (12/76 - Major Professor: Monroe)
- Barnes, Bernadette. "Administrative Support of Library Special Projects." (12/80 - Major Professor: Monroe)
